

## ALTERNATIVE PAYMENT ORDER FORM

Send an email to [lividthorn@hotmail.com](mailto:lividthorn@hotmail.com) listing what you want to order and in what size so that we can reserve it for you. Please also notify us of which payment method you will be using.

We will then respond within 24 hours (usually much sooner) with the postal address to send your payment to, and any other details needed. Cheques and postal orders must be made payable to **Miss N Wood**.

Your order will then be reserved for 7 working days, whilst we await payment. Download, print and fill in this form, and send it along with payment to the address we have given you. Once your payment is received we will email you to let you know we have received it. Your order will then be dispatched as usual!
